

**Spitzig's Outfitting is located in West Central Alberta, Canada in the Foothills of the Rocky Mountains. We offer professionally guided hunts for Whitetail Deer, Mule Deer and Black Bear.**

Now finished our second year in business we have really pin-pointed where our deer like to spend the majority of their time. Summer scouting has really paid off big as we watched lots of big bucks grow all summer long. We followed these deer from pre-season activity, through shedding their velvet and into making scrapes during the rut.

During the 2015 fall season we hosted 5 hunters throughout the month of November. With continuous snowfall and high wind warnings all

hunters had to battle the weather but stayed warm and cozy in our heated blinds.

Alex Rohling from Ottawa, Ontario was successful at rattling in a Whitetail buck into 30 yards while hunting over a community scrape. With a well-placed shot Alex harvested his first Alberta Whitetail on November 6th. Gilles Bolduc's 2014 buck that gross scored 156 inches still stands as our largest buck harvested to date. Many bucks the same size and larger have been caught on our game cameras but did not give hunters the opportunity to be harvested.

2016 should be another great year as we continue to scout lots throughout the year and really focus on giving the hunter a great hunt at a great price. **Book a Whitetail, Mule Deer and Wolf combo hunt at a low price of \$5500 plus tax.**

Spitzig's Outfitting is owned by myself, Brian Spitzig. I am a full time outfitter and guide and I have guided many successful hunts throughout North America for almost 10 years. I will be guiding most of the hunts personally and will do everything within my power and ability to make your hunting trip a successful one and an adventure you will remember for a lifetime.
